Catechumens shall be expected to maintain satisfactory progress in church attendance, in catechesis class attendance, and in memory work.

It is imperative that parents be actively involved in, and supportive of, the catechesis process. This means that parents shall be responsible to have their children in church and catechesis class each week, and to assist them in maintaining satisfactory progress in their memory work.

The Pastor shall be available to assist catechumens and their families in dealing with difficult circumstances or challenges, as needs may be. But the primary responsibility for the catechesis of children belongs to the father as the head of his own family (see especially Deuteronomy 6).
